Dear Mr. Steinhauer:

STAT

Your letter of 7 May 1984 to [redacted] regarding video disk standards has been received by the IHC. It has subsequently been forwarded to the Defense Mapping Agency (DMA) for action, since DMA is preparing the RFP. Mr. Milton Lohr of DMA has been the IC Staff's point of contact on video disk mapping and has incorporated intelligence community requirements and suggested standards into an RFP which is in the final stage of preparation. He will ensure that your request is sent to the appropriate office within DMA for proper disposition. Should you desire additional information on this topic, please contact Mr. Lohr at AV 294-1453 or (202) 653-1453 commercial.

Very sincerely yours,

STAT
